INTRODUCTION

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin under any program or activity receiving Federal Financial Assistance (FFA). Title VI compliance requirements apply to any county department, agency or sub-recipient that receives FFA.

The Office of the County Auditor conducted a site review of the Office of the District Attorney on March 14, 2019 with Kyle Coffey, Grants Administrator. The site review addressed the Title VI compliance requirements for the Family Violence Victim Advocate Program for the period of April 01, 2018 – December 31, 2018 in the total amount of \$50,000.00.

BACKGROUND

The Office of the District Attorney is charged with the prosecution of all felony violations of State law that occur within Fulton County (Atlanta Judicial Circuit). In addition to unincorporated Fulton County, this jurisdiction includes the municipalities of Alpharetta, Atlanta, College Park, East Point, Fairburn, Hapeville, Milton, Mountain Park, Palmetto, Roswell, Sandy Springs and Union City.

OBJECTIVES

The Office of the County Auditor has the responsibility of conducting Title VI Compliance Site Reviews of Federal financial assisted recipients and sub-recipients to determine whether they are honoring their commitments, as represented by certification, to comply with the Title VI/Non-discrimination Civil Rights requirements.

The primary objective of the site review was to determine if the Office of the District Attorney has met its General Reporting and Program-Specific contractual requirements of the state, federal and county laws, policies, rules and regulations relating to Title VI. In addition, requirements and guidance measures of Limited English Proficiency (LEP) for program recipients, sub-recipients and contractors were discussed.

The secondary objective of the Title VI Compliance Site Review was to provide technical assistance in the form of training and to make recommendations regarding corrective actions as deemed necessary and appropriate.

SCOPE

The scope of this Title VI Compliance Site Review of the Office of the District Attorney examined the following requirements according to the agreement with United States Bureau of Justice Assistance:

(1) General Requirements

- a. Each application for federal assistance contains signed assurances or award contract agreement of compliance with Civil Rights regulations.

- b. A copy of the agency’s Title VI complaint procedures.
- c. A copy of the agency’s Title VI and LEP plan for providing access to Limited English populations.
- d. A posted copy of appropriate civil rights posters, pamphlets and notice to public information.
- e. Placement of “babel” notice in service locations and on service documents.
(Notification of translation services provided at no additional cost to participants)

(2) Program-Specific Requirements

- a. A description of how the agency monitors its sub-recipients for compliance with Title VI (if applicable).
- b. A copy of sub-recipients’ Annual Title VI Certifications and Assurances (if applicable).
- c. Ensure meaningful access to programs and activities by persons with limited English proficiency.
- d. Promote the full and fair participation of all affected populations of programs and activities through public outreach strategies.

METHODOLOGY

An initial email was sent to Paul Howard, District Attorney, providing notification of the site review. In addition, an email was sent to Kyle Coffey providing an electronic copy of the Title VI Compliance Site Review Tool used to conduct the monitoring. The tool provided a preview of compliance areas that would be assessed.

The review tool was utilized to assess the various areas of the Agency’s Title VI requirements as well as gather information relating to Title VI specialty areas (Public Participation/Outreach and Service Recipient Demographics (when applicable)).

In addition, the recipient’s Title VI Liaison was provided Title VI Basics and Compliance Training and law updates (if applicable) during the site review. This training assists with the efforts of understanding, obtaining and maintaining continuous non-discrimination compliance.

REQUIREMENTS, FINDINGS AND RECOMMENDATIONS

Findings

No findings of Title VI deficiencies.

CONCLUSION

The Office of the District Attorney demonstrated Title VI compliance as required. The recipient displayed proper Title VI signage in appropriate places, providing Title VI awareness to citizens and employees. Also, the recipient provided a copy of the mandatory assurances/awarded contract agreement signed off by the Chairman of the Board of Commissioners.

The department has adopted the Fulton County’s Title VI complaint process; however, a recommendation was made to provide Fulton’s complaint process information via signage postings throughout the department’s common areas (waiting areas, break rooms and copy area).

The Office of the District Attorney also provides public notification of rights and accessibility of Title VI. In addition, the recipient ensures LEP compliance through the use of vital documents and interpretation and translation services through the use of the County’s Foreign Language Line service, when needed and bi-lingual staff at no additional cost to clients. The office also has “I Speak” poster placed at the front receptionist’s window and lobby areas.

The department is compliant with Title VI Civil Rights policies, regulations, procedures and contract agreements. The compliance site review demonstrated that the Office of the District Attorney is thorough in complying with Title VI requirements of the U.S. Department of Justice (USDOJ).

The Office of the County Auditor has worked diligently to develop Title VI/Non-discrimination guidelines, policies, tools and training as well as provide technical assistance to Fulton County federal recipient programs and its sub-recipients. We will continue to ensure that each department and agency promotes and implements proper measures to meet and maintain compliance with Title VI requirements, policies and procedures.
